

The existence and risk of the proliferation of weapons-usable fissile material on the Korean Peninsula; the actions and policies of the Government of North Korea that destabilize the Korean Peninsula and imperil United States Armed Forces, allies, and trading partners in the region, including its pursuit of nuclear and missile programs; and other provocative, destabilizing, and repressive actions and policies of the Government of North Korea, continue to constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States.

For this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 13466 with respect to North Korea.

JOSEPH R. BIDEN, Jr.
